

# STRAND | TECHNOLOGY

Press Release  
September 5, 2005

## N-ice new role for Alessandra

ALESSANDRA Manfredi has been appointed as Sales and Marketing Co-ordinator for Strand Technology.

Alex, who is a graduate of Sheffield University, worked for United Utilities before joining Strand in August 2005.

Her new role will involve developing Strand's marketing, PR and website activities.

"I'm delighted to join Strand Technology at such an exciting time within the health care sector," said Alex.

"The CareNotes system is a market leader in its field and the feedback I have already received from our clients has been excellent," she added.

Alex's Italian family are well known in Warrington as they manufactured ice cream at a factory in Church Street for over 100 years!
